PART 1: Use this sheet to plan your career profile.

I want to pursue a career in _____

In this career I will focus on:

What do you hope to contribute or accomplish through your career choice? (How will you help the world or contribute to society?)

I need the following skills (What skills or traits do you need to pursue this career?)

Based on what you learned from the physicist profiles, what are the ways you could achieve this career with a degree in physics? (How can a degree in physics lead you into this career or support your growth in this career?)

Name: _____ Date: _____

PART 2: Using the information you documented in Part 1, create a profile of your *future self* that achieves your career goals with a *degree in physics*. Imagine that this profile will be read by students like you to illustrate that physics can help them achieve their goals. Use the template below (2 page maximum).
